

Art. 1 – AIM

The Blob ART Cultural Association is announcing an **art prize** aimed at promoting and enhancing Contemporary Art. The competition entails the selection of 80 artworks from five different categories **Painting, Graphic Art, Photography, Video Arts - Performance, Sculpture and Installation**. It will culminate in the exhibition of the finalists' works; the publication of a catalogue; the awarding of prize money; seven prizes by Italian and international art galleries, and a special prize by Poliart. The exhibition, as well as the judging panel's voting and the award ceremony, will be held in Livorno, Italy, at the "**Museo Civico G. Fattori, ex Granai di Villa Mimbelli**", **from 17 June to 8 July 2023**.

Art. 2 - ELIGIBILITY CRITERIA

This competition is open to all contemporary artists worldwide. There are no age restrictions or thematic constraints. The five categories are:

PAINTING CATEGORY

The selection of the artworks will be based on the key criteria of quality, research, originality, and contemporaneity. There are no restrictions regarding the subject, technique, or style. However, all submissions should be paintings. A painting is defined as any use or manual application of oil, tempera, acrylic, industrial paints, ink, etching, graphite, watercolours, or vinyl on any media, including pre-printed media; collages and multi-material works are also accepted. Artworks must not exceed 200 x 200cm.

GRAPHIC ARTS CATEGORY

The graphic arts category will accept two-dimensional, traditional, or digital media works. The selection will be based on the key criteria of quality, planning, research, originality, and the work's contemporaneity.

Artistic techniques accepted in the graphic arts category are: drawing, watercolour, gouache, collage, digital drawing, works executed with various graphic techniques, and the multiple types of flat, digital, relief, and cable printing (Giclée, offset, xylography, engraving, lithography, screen printing, etc.). Finalist works will be set up on monitors or traditional two-dimensional media (artworks must not exceed 150 cm on each side.)

PHOTOGRAPHY CATEGORY

The selection will be based on the key criteria of formal quality and conceptual originality of the artwork. There are no thematic restrictions. Media accepted for the competition are digital and analogue photos, colour and b/w photos, and all the expressive means of photographic art. Artworks must not exceed 200 cm on each side.

SCULPTURE and INSTALLATION CATEGORY

The selection of the artworks will be based on the criteria of quality, research, originality, and contemporaneity. In the Sculpture and Installation category, the use of raw or manipulated materials, media, objects, and expressive means, both traditional and innovative (sound art, kinetic art, video and sound installation, etc.) is allowed. The artworks may include interactive elements such as moving electrical or mechanical parts, sounds, lights, and videos, used separately or in combination. Artworks should be registered by sending photos, videos, or audio files. Artworks must not exceed 4 x 3m with a maximum allowed height of 3m.

VIDEO ARTS - PERFORMANCE

The Video Arts – Performance category is open to video artworks and performance art, experimental animations, video research, abstract videos, and video portraits, excluding fiction. Videos shall run for a minimum of 1 minute to a maximum of 30 minutes.
